Non-smoking means that any tenant entering in to a lease as of 2001 does so with the full understanding and agreement that there is to be no smoking in any apartment or common area of Hilltop House. The Tenant is responsible for making sure that all guests and/or service providers are aware of this policy.

Application Procedures

Applications may be picked up at Hilltop Monday through Friday from 8:30 a.m. to 4:30 p.m. or upon request will be faxed, mailed or emailed. Appointments may be made to tour the facilities, answer questions relating to the tenant-selection process or life at Hilltop House.

Applications are used to determine initial eligibility as it relates to age, disability status, household composition and income/assets. Acceptance of the application does not constitute acceptance for admission. Acceptance for admission requires verification of application information, a face-to-face interview, and additional information and documents required by HUD. All completed applications returned to Hilltop are stamped according to the time and date received, and placed on the appropriate waiting list in chronological order. All preliminary eligibility requirements must be met and all sections of the application must be completed and signed before the applicant's name is placed on the wait list. An incomplete application will be returned.

Prior to being placed on the waiting list, Hilltop performs a civil, criminal and national sexual offender background check.

Applicants must designate the size apartment they are requesting on the application form. (Section 1).

Once your eligibility is determined, you will receive an acceptance or rejection letter.

Final admission and apartment placement is subject to an admissions interview and the verification of all information and documentation as required by Hilltop and or HUD or SHA and all applicable federal and state laws regulations.

Waiting List Procedures:

A. Placement on the Waiting List

Applicants are placed on the appropriate waiting list to the apartment size stipulated on their application. You may be on more than one waiting list. Waiting list seniority will be based on the date of the new application.

B. Confirmation/Time of Wait

Once placed on the wait list, the applicant is notified by mail and advised of the approximate wait for the size of apartment applied for. Other considerations affecting waiting time may include: availability of a disability modified apartment for a mobility disabled applicant, existence of individuals on the

waiting list who have made a first refusal and HUD Income Targeting requirements. Preference may be given to senior applicants having extenuating circumstances including (1) those who do not presently reside in HUD subsidized units and are no longer able to afford the market rent of their present unit, (2) who for medical reasons may not be able to return home, or (3) those who are isolated from others because of the location of their present homes.

C. Six Months Update Letter

Each applicant is required to confirm his/her desire to remain on the wait list every six months by responding to a waitlist update letter. Each January and July, the Hilltop office will send out the update letter to the applicant's most current recorded address. It is the responsibility of the applicant to keep Hilltop informed of any changes in address, phone number or other pertinent information. Applicants are required to respond by returning the completed update letter within 30 days of the send date on the letter. Failure to respond will result in the applicant's name being removed from the waiting list. If removed from the list, an applicant may reapply by submitting a new application. Seniority date of the new application will be based on the date it is received.

INTAKE AND ADMISSION PROCESS

A. Initial eligibility for tenancy

When an apartment becomes available, the individual at the top of the wait list is contacted by phone to schedule a tour of the apartment and for an intake interview. Reasonable efforts are made to contact applicants who do not respond to the initial call. Following reasonable, unsuccessful attempts to inform an applicant of apartment availability, the applicant will remain on the list in the same chronological order allowing staff to proceed to next eligible applicant. Efforts to contact applicants are documented in their file. Failure to respond to reasonable efforts is considered a refusal. (See below.)

B. Refusals

Once contact is made, and the applicant is invited to proceed with the intake process, he/she has until the end of the following business day to schedule an intake appointment. If the applicant declines to proceed with the process or decides not to accept an apartment after completing the process, this is considered a "refusal." The first time an applicant declines, (or is unreachable following reasonable efforts), he/she shall remain in the same chronological order on the wait list and shall be designated "first refusal." A letter is sent to the applicant, confirming/advising of this "first refusal" status. The second time an applicant declines an apartment, that household will be removed from the wait list completely and must re-apply for future admissions consideration.

C. Application Interview

Prior to the admissions interview, the applicant is advised of items to bring to the interview, including, but not limited to:

- (a) Photo identification, i.e., driver's license, government issued picture i.d. or passport;
- (b) Social Security card;

- (c) Social Security benefit award letter;
- (d) Any retirement or pension award letter;
- (e) Bank statements (six months) for any checking accounts;
- (f) Current statement(s) of savings accounts, money market accounts, CD's or any other asset accounts;
- (g) Employment verification. If you are self-employed, please provide 1040 and Schedule C. If you have regular employment, provide either six paystubs or verification from your employer of how many hours you work and your rate of pay;
- (h) Proof of ownership of any real property and a statement showing the value of the property;
- (i) Health insurance payments;
- (j) Pet registrations, vaccination record and, where applicable, Service Animal verification.

During the admissions interview, the applicant will be signed up for the SPRAC funding, a Section 8 voucher (SHA) or will be determined to be granted admission by paying market rate rent.

D. HUD Requirement for Criminal Background Check

In keeping with HUD requirements, all applicants must authorize Hilltop to conduct a criminal background check. Criminal background checks are also required to any live-in aids. HUD prohibits acceptance of any applicant or live-in aide who is on the sexual predator list. HUD also prohibits acceptance of any applicant or live-in aide who has any criminal conviction(s) for any crime of violence, theft, fraud, or illegal manufacture, distribution or use of a controlled substance. Hilltop House prohibits acceptance of any applicant or live-in aide with conviction for the above crimes within at least the last ten years. Additionally, any applicant who participates in any criminal activity or alcohol abuse that constitutes a direct threat to the health or safety of other individuals, or results in substantial physical damage to the property of others will not be accepted.

E. Citizenship/Immigration Status Requirements

Applicants are required to declare U.S. Citizenship or submit evidence of eligible immigration status for each household member seeking housing assistance.

F. SCREENING/REJECTION CRITERIA

Hilltop may reject an applicant whose background indicates that he/she will not satisfy the legitimate and uniformly applied requirements of tenancy.

Reasons for Rejection Include:

- The applicant fails to meet eligibility requirements for age, income and/or mobility disability.
- The applicant has a history of non-payment of rent, history of damaging facility property, a history of disturbing the quiet enjoyment of others, evidence of current illegal drug use, manufacture or distribution;

G. NOTIFICATION OF REJECTION

Applicants who do not meet the screening criteria will be notified in writing why they will not be accepted as a tenant. They will be given an opportunity to meet with the Administrator to discuss any questions they may have regarding the screening criteria or to present additional information relevant to the screening process.

H. ACCEPTANCE OF AN APARTMENT

Upon completion of the intake interview, the applicant will be offered a specific apartment if all HUD and Hilltop's requirements have been met. Final acceptance for admission is subject to the outcome of the second criminal background check.

Once an apartment is offered, the applicant has until the end of the following business day to accept or decline the apartment. Declining the offer of an

apartment constitutes a “refusal.” Rent begins upon the day the lease is signed and executed.

An orientation meeting will be scheduled to coincide with the date that the apartment is ready for occupancy. The orientation meeting is used to finalize and sign all required documents, meet with staff and inspect the apartment. Upon completion of the inspection and signing of the inspection report, the new tenant will receive the keys and move into the apartment anytime thereafter.

VIOLENCE AGAINST WOMEN ACT

In accordance with the Violence Against Women Act (WAVA), the owner/agent will not penalize victims of domestic violence, stalking, dating violence or rape. The Violence Against Women Act was promoted to make the lives of victims of abuse easier and to prevent homelessness.

1. A potential tenant who certifies that she was a victim of domestic violence may be allowed to be admitted even with poor credit and prior landlord evaluations if she can show these negative factors were caused by domestic violence
2. It assures that victims of domestic violence, sexual assault, etc. can have access to the criminal justice system without facing eviction
3. Where someone is abusive to other members of the household,, only the abuser may be evicted
4. Tenants in assisted housing facing violence may be allowed early lease termination for a matter of safety.

Victims must certify their status as victims and that the incident in question was a bona fide incident of domestic violence by presenting appropriate documentation from the owner/agent. Nothing prevents a victim who has committed a crime or violated a lease from being denied, evicted or terminated.

OCCUPANCY STANDARDS AND FOOD SERVICE

Unit occupancy is limited to two persons per unit. Food service, consisting of a seven day per week meal program, is mandatory.

ENTERPRISE INCOME VERIFICATION (EIV) SYSTEM

Hilltop House uses EIV which is an internet-based data system containing employment and income individuals participating in HUD’s rental assistance programs. This information comes from the Social Security Administration, the Department of Health and Human Services and the (HSS) National Directory of New Hires (NDNH). This information is used for tenants in order to verify social security numbers and correct reporting of income for all household members. EIV is also used to determine if applicants are currently receiving HUD rental assistance at another property.

Applicants (during the verification of information process) and tenants (annually) are required to sign form HUD-9887, Notice and Consent for Release of Information, and form HUD-9887-A, Applicant's/Tenant's Consent to the Release of Information. This gives consent for HUD and Hilltop to obtain information, to verify this information, and to determine eligibility for HUD rental assistance. Failure to sign the consent forms may result in the denial of assistance or termination of assisted housing benefits.

As part of the applicant screening process, Management will run an EIV Existing Tenant Search for all household members. This report checks to see whether any household member is currently living in another Public & Indian Housing or Multifamily site. If that is the case, Management will coordinate Move-Out/Move-In dates with the current property so that HUD will not be paying double subsidy.

LIVE-IN AIDES/ATTENDANTS

Live-in Aides/Attendants must be screened for drug abuse and other criminal activity prior to initial occupancy. Live-in Aides/Attendants must pass all screening criteria except for the criterion regarding the ability to pay rent on time because s/he is not responsible for rental payments. Live-in Aides/Attendants will be required to provide identification and proof of SSN in order to conduct the screening. The tenant must provide management with proof of the medical necessity of Resident Live-in Aide/Attendant from h/her physician.

Each Live-in Aide/Attendant shall be required sign a Resident Assistant – Live-in Aide Agreement stating that they will follow House Rules and have no pets or guests and that they will immediately vacate the tenant's unit if and when the support services are no longer needed by the tenant or the tenant vacates the apartment for any reason.

TRANSFER POLICY

Residents may apply to transfer to another apartment, if desired. The resident requesting the transfer will be placed chronologically on the waiting list. When the specific type of apartment becomes available, the resident will be notified and given the opportunity to move. If the resident refuses the available apartment, s/he will be moved to the bottom of the waiting list. If a resident receiving a subsidy is transferred and desires to keep the subsidy, s/he must move into an apartment that is eligible for the same type of subsidy. There is a \$100 transfer fee for each in-house transfer unless the resident has been asked to move by management or if the resident needs to move due to a medical condition certified by a doctor or if a resident is requesting a transfer as a reasonable accommodation. Residents who have a documented a medical necessity for transferring will have first priority.
